CAUTION!

1. For indoor use only.
2. This product should be placed on a flat surface.
3. Please immediately wipe clean the desktop surface if any liquid is splashed on it.
4. Please check screws regularly to ensure there are no loose parts during daily use.
5. Only tightly fasten all the screws once the desk and chair have been assembled properly.
6. Use a damp cloth to clean the desktop surface.
7. Don't put product in the place where there is corrosive gas and moisture in case of damage.

HEIGHT ADJUSTMENT

How to Lift Up

The desk and chair can be adjusted higher by placing one foot on the support bar and pulling the desk or chair up to the required height.

How to Lower Down

Gently pull up the desk or chair to the maximum height and then slowly lower down to the minimum height. Lift up again to the required height as above.
